

ASTRATEQ FOUNDING MEMBER GUIDE

Exclusive Access Benefits & Launch Instructions - reports.astrateggadgets.com

Welcome to the Astrateq Founding Member Cohort!

Membership Class: Early Access Priority Circle

Allocated Batch: Batch 1 Production Priority

Development Status: Production Tooling Integration

This guide details the premium benefits reserved exclusively for pre-launch depositors, including custom anodized aluminum mounting harnesses, priority hardware installation slots at our specialized Canadian partner centers, and early eligibility for our pre-trained winter neural driving network beta updates.

Key Launch Checklist:

- 1. Verify vehicle diagnostic readiness profile via OBD-II**
- 2. Maintain active priority reservation designation in secure local browser**
- 3. Schedule hardware fitment when local Waterloo-assembly batches ship**
